### Description

This very nice Aston Martin DB5 finished in unusual Champagne paint with its original Fawn leather interior. The car was originally sold new by Brooklands of Bond Street to Eaton Garages, Slough on 18th June 1964 who sold the DB5 on to Drake and Gorham Ltd in Salisbury with a registration number 312 KM.

This is all supported with the buff log book and with the continue ownership.

When sold to the next owner in April 1964 the registration number was changed to the current 5736 PP.

A further private owner is on the documentation before the third owner a respected ex-motor museum owner in the west country purchased the car in late 1990's. Invoices in the large history file indicate that the bodywork was freshened up.

The original specification of the car when new was Fiesta Red paint with Fawn leather interior, Chrome wire wheels and three eared spinners. The new owner also requested the clutch was changed from a Borg and Beck to a Laycock unit.
