Transmission	Automatic
Exterior Colour	Masons Black over Shell Gray
Previous Owners	5
Registration	R1443

### Description

1964 Rolls Royce Silver Cloud III was first manufactured and delivered new to the USA. The car was exported to Norway in 2009 with only two previous owners. The car has been lightly restored in 2009 and is fitted with air conditioning. Very good example of a fine marque and one to seriously look at.
