Registration	150HNL

Description

This 1951 Chevrolet Deluxe was purchase from the first owner in Minnesota USA with less then 9,000 miles. The car was shipped to the UK in 1994 and locked in a garage for 25 years. The car was completely re-commissioned and MOTed and is one of the best driving cars we have had the pleasure of driving. The car is powered by a straight six 216ci engine and a three speed column shift gearbox. The car is just outstanding, with some paint issues the rest of the car is just as it was when it left the showroom in 1951, with the tags on some of the interior switches. Everything on this car is 100% original and documented 9,000 miles.
